

Animal Including Humans: Year 1

Lesson 1	In our first lesson, we will look at a variety of different animals. What questions do you have? How many of them can you name?	
Lesson 2	Today, we will learn all about carnivores, herbivores and omnivores and what they like to eat.	
Lesson 3	This week, we will look at lots of animals and think about how they are the same and how they are different.	
Lesson 4	This week, we are moving on to the human body! How many body parts can you name?	
Lesson 5	Now we know about our body parts, we are going to learn about the 5 senses. What does each sense do for us?	
Write	It's time to use your imagination! Today, you are going to pretend you're buying a pet! What questions would you have for the shopkeeper on how to care for your new pet?
