

Year 6 Branch 1 - Creation & Covenant

Week 1	In our first week, you will explore the different literary forms in Genesis and begin to understand the story of The Fall. 			
Week 2		This week, you will explore more deeply how Christians interpret the story of The Fall and how their relationship with God is damaged.		
Week 3	This week, you will learn what John's Gospel teaches about Jesus as the New Covenant and place this on a 'Covenant History Timeline'.			
Week 4		This week, you will discover how the sacrament of Baptism reunites one with Jesus and begin to study Christian beliefs revealed in the Nicene Creed.		
Week 5	This week, you will delve deeper into the Nicene Creed and learn how it is used in prayer and worship. In addition, you will learn about Laudaro Si and what this teaches about human sin and stewardship.			
Week 6	In our final lesson, you will learn about the work of George Lemaitre and how this explains science and religion working together. We will also review this branch.
